

This program arms citizens with the knowledge and basic preparedness skills to effectively manage nearly every possible disaster or crisis situation North Central Texans are liable to encounter, including health epidemics, severe weather, exposure to hazardous materials, evacuation procedures and even dangers specific to holidays.

Through the [www.KnoWhat2Do.com](http://www.KnoWhat2Do.com) Web site, bi-lingual DVD and printed guide, the program outlines ways each citizen can *Think. Prepare. Act.* in the event of an emergency. These steps are part of a message quickly becoming familiar to North Central Texans.

Protect yourself and your family in a disastrous situation. Your safety and survival depend on whether you **KnoWhat2Do**. Learn more at [www.KnoWhat2Do.com](http://www.KnoWhat2Do.com). *Think. Prepare. Act.*
