The Homebound Delivery program helps fulfill the library's mission by offering services to residents who are homebound due to illness, disability/age, and/or are otherwise physically unable to visit the library.

Patrons must have a resident library card to qualify for this service. Patrons must complete an application. Please submit application through U.S. mail or send to slott@ci.duncanville.tx.us with the subject line HOMEBOUND APPLICATION. Applications will then be reviewed by the library and the patron notified of the beginning service date.

The Duncanville Library will deliver up to 5 items at a time to patrons. A return visit to collect the materials will be scheduled at the time of delivery. Additional items may be requested and delivered after the current items are returned. Patrons participating in the program will become ineligible for the service if they do not return library materials.

The Homebound Delivery program may be discontinued at any time for any reason.
