

# *City of Duncanville*

## *Recycling Information*

The City of Duncanville started its full-scale recycling program in January 1996. In 1999, the one-sort recycling system was implemented. The one-sort system allows all items accepted in the recycling program to be placed together inside the green recycling bin.

### **Items accepted for recycling:**

- Aluminum cans
- Tin or Steel food and beverage cans
- Plastic #1 thru #7 (containers, bottles and jugs )
- Glass jars and bottles (any color)
- Paper products

The paper products include: Newspapers, magazines, catalogs, computer paper, cereal boxes, flattened cardboard boxes, office paper, envelopes, junk mail, paper back books, brochures, pamphlets, and brown paper grocery sacks.

### **Items commonly placed in the recycle bin that are **not** accepted for recycling:**

- Styrofoam
- Pizza boxes
- Plastic bags
- Plastics that contained household hazardous waste (oil, anti-freeze, etc.)
- Aerosol spray cans
- Wax coated containers

### **Recycling collection**

Recycling is picked up once a week, beginning at 7 AM. Please keep recycling and garbage separated.

For additional information, please call **Republic Services** at **972-225-4207** or **Solid Waste Services** at **972-780-4900**.
