

Attention Utility Customers:

On September 19, 2017 the City Council approved a Ordinance No. 2321 increasing the cost of sewer services (Effective October 1, 2017). This Ordinance effects all sewer service accounts and is as follows:

User Class	Current		After 10/1/17	
Residential	Fixed Rate	Variable	Fixed Rate (Per Connection)	Variable
	\$18.51	\$7.91*	\$19.25	\$8.22*

- These charges are per one thousand gallons and based on a winter's month average.

User Class	Current		After 10/1/17	
Multi-Family, Apartments	Fixed Rate	Variable	Fixed Rate (Per Living Unit)	Variable
	\$8.73	\$8.90*	\$9.07	\$9.25*

- These charges are per one thousand gallons and based on 90% of water consumed each given month.

User Class	Current		After 10/1/17	
Commercial, School, Municipal	Fixed Rate	Variable	Fixed Rate (Per Connection)	Variable
	\$8.73	\$8.90*	\$9.07	\$9.07*

- These charges are per one thousand gallons and based on 85% of water consumed each given month.
