ITEM NO. 4 RECEIVE AND DISCUSS CITY SALES AND USE TAX COMPARISON SUMMARY.

Ms. James reported that Sales tax collections for October sales (December payment) show an increase of 10.70% over the same period last year, and an overall increase for FY 18 sales tax collections of 8.75% over FY 17 sales tax revenue. Staff had some concerns that the rain could have an impact on sales tax; however, it did not.

The Board had further discussions.

ITEM NO. 5 RECEIVE AND CONSIDER APPROVAL OF THE DCEDC MONTHLY BUDGET REPORT.

Ms. James noted for the Board that both the DCEDC Monthly Budget Report, and the Duncanville Fieldhouse Sports Facility Financial Status Report are marked “UNAUDITED”. She reported that it takes 30 – 60 days for the City to close out the fiscal year, and that these numbers will potentially change based on some expenditures that will come in after this report.

The EDC Sales tax revenue for September totaled \$227,896, and the interest income totaled \$2,060. The ED activity included salaries, some dues and subscriptions, and travel and transportation expenses. The EDC also had contract services charges for the logo portion that the EDC budgeted for over a year ago. The KDB had \$375 in expenses, and Beautification had \$9,720 in expenses. That leaves the EDC with expenditures totaling \$36,739, closing the month out with \$193,217 in net profit. The year-to-date total does include the purchase of the Toyota Property, which leaves the EDC with an ending total of \$385,722. This total does not include the Fund Balance. Staff will bring that information back to the Board at the next DCEDC meeting.

Again, these are unaudited numbers.

Dr. Murrah made a motion to approve the DCEDC Monthly Budget Report for the month as presented, seconded by Mr. Broughton, the vote passed unanimously.

ITEM NO. 6 RECEIVE AND DISCUSS THE DUNCANVILLE FIELDHOUSE SPORTS FACILITY FINANCIAL STATUS REPORT.

Ms. James reported that Staff initially projected that the Fieldhouse would end the fiscal year \$25,000 in the black. However, the Fieldhouse will end the fiscal year with a loss of \$14,544. There were sponsorships that were supposed to be in the totals, but the City did not receive them in time to close out the fiscal year budget. The contracts/agreements have been signed, but the Fieldhouse cannot recognize revenue not yet received.

The Fieldhouse Staff will make a presentation at the next City Council meeting. Richard Summerlin, Finance Director, and Craig Brasfield, General Manager of the Fieldhouse, will be in attendance and provide further discussion about the Fieldhouse Budget.

The Board had further questions/discussion.

ITEM NO. 7 RECEIVE AND DISCUSS THE MAIN STATION DUNCANVILLE, LTD'S MONTHLY FINANCIALS, AS WELL AS DUNCANVILLE REAL ESTATE UPDATES.

Ms. James reported that the Board has the Financials for review. At the August 27, 2018, DCEDC meeting, Mr. Anderson spoke to the Board regarding proposals he has in mind for Main Station. He is still attempting to move forward with his proposals, and at some point this information will come back to the Board for input.

The Board had further discussions.

ITEM NO. 8 RECEIVE AND DISCUSS CROWDFUNDING FOR SMALL STARTUP COMPANIES PRESENTATION.

Ms. James introduced Mr. John Lowe; Principal at NextSeed. NextSeed creates new opportunities for businesses and everyday investors to grow together as well as crowdfunding for small businesses. Staff met him at a BISNOW Conference in September and invited him tonight to explain what his company can potentially offer startup businesses in Duncanville.

The Board had further questions/discussion.

Mr. Lowe will provide Staff with a couple of references.

ITEM NO. 9 RECEIVE AND DISCUSS 2018 BOND INFORMATION.

Ms. James reported that the Assistant City Manager planned to be here tonight to provide an update to the Board; however, could not because of a conflicting meeting. He did want to make sure that the Board had the Proposed 2018 Bond Program Information Guide, which explains the details of the Bond.

Ms. James reported that Staff will take back any questions the Board might have and present them to the Assistant City Manager. Staff can provide answers to those questions to the Board via email.

The Board had further discussion.

ITEM NO. 10 RECEIVE STAFF AND BOARD REPORTS:

- ***RECEIVE AN UPDATE ON THE NANCE PROPERTY.***

Ms. James reported that the Nance property is still for sale, and there are developers interested. The Soccer Plaza, located at 1415 S. Alexander Ave. is looking at some of the property.

The Board had further questions/discussion.

- ***RECEIVE AN UPDATE ON VILLAGE TECH SCHOOLS.***

Ms. James reported that Village Tech Schools is working with the Duncanville Police Department and they have a new stacking order for the cars. Village Tech is also putting down temporary gravel to assist with this new traffic plan. The hope is that this will alleviate some of the traffic concerns. The school is also working with the parents.

The Board had further questions/discussion.

- ***RECEIVE AN UPDATE ON OPTIONS FOR DEMOGRAPHIC SOFTWARE.***

Ms. James reported that the ESRI representative went back and visited with her staff to see what other options were available to the EDC. At this point, ESRI does not have any options.

BACKGROUND/HISTORY: Generally, a Type B corporation must hold at least one (1) public hearing on a proposed project. In 2007, the Texas Legislature amended the Development Corporation Act applicable to Type B cities with a population of less than 20,000. A Type B corporation in a city with a population of less than 20,000 is not required to hold a public hearing if the proposed project is contained in Subchapter C of Chapter 501 of the Texas Local Government Code. Additionally, the Type B corporation must obtain city council approval of the expenditure. When required, a Type B corporation could conduct one (1) public hearing to consider several projects. Nonetheless, notice of the project or projects must be published in a newspaper of general circulation in the city. BACKGROUND/HISTORY: iDeal Floors was founded in 2011 in Duncanville, Texas and was formerly known as Big Bobs Flooring for over twenty years. At that time, the Hames family felt there was a need for quality flooring at a price that families could afford. They did not believe that families should have to choose between quality floors that would last and developed a product line that could cater to all price points.

MEETING DATE: Tuesday, November 27, 2018

TITLE: Receive and Consider Amending and Adopting the City of Duncanville and Duncanville Community and Economic Development Corporation (DCEDC) Policy Statement and Guidelines for Economic Development Grants and Tax Abatements to Include the Commercial Demolition/Rebuild Program.

BACKGROUND/HISTORY: At the January 14, 2016, DCEDC meeting, the DCEDC adopted the current City of Duncanville and Duncanville Community and Economic Development Corporation (DCEDC) Policy Statement and Guidelines for Economic Development Grants and Tax Abatements with the current incentives.

The DCEDC Board budgeted \$100,000 for a new commercial Demolition/Rebuild Program, which will focus on repurposing distressed properties into their highest and best use. These incentives will be used to recruit new economic development to the community, allowing Duncanville to be more competitive with other cities.

In order for this program to officially begin, the Board must amend and adopt the current City of Duncanville and Duncanville Community and Economic Development Corporation (DCEDC) Policy Statement and Guidelines for Economic Development Grants and Tax Abatements to include the commercial Demolition/Rebuild Program.

**CITY OF DUNCANVILLE
POLICY STATEMENT AND GUIDELINES
FOR
ECONOMIC DEVELOPMENT GRANTS
AND TAX ABATEMENTS**

I. GENERAL PURPOSE AND OBJECTIVES

The City of Duncanville is committed to the promotion and retention of high quality development in all parts of the City; and particularly for the enhancement of the Main Street Corridor, Camp Wisdom Rd., Cedar Ridge Dr., IH-20 Service Road Commercial Area, and US Hwy 67. Insofar as these objectives are generally served by the enhancement and expansion of the local economy, the City of Duncanville will, on a case-by-case basis, give consideration to providing grants and tax abatements as an incentive for economic development in Duncanville. It is the policy of the City of Duncanville that said consideration will be provided in accordance with the procedures and criteria outlined in this document. Nothing herein shall imply or suggest that neither the City of Duncanville nor the Duncanville Community and Economic Development Corporation (DCEDC) is under any obligation to provide a grant or tax abatement to any applicant. III. AUTHORIZATION

Any request for a grant or tax abatement shall be reviewed and approved by the City Council. Duncanville Community and Economic Development Corporation (DCEDC) will make recommendations to the City Council when appropriate as set forth in the following document.

IV. EVALUATION CRITERIA

DCEDC's recommendations and the City Council's approval shall be based upon, but not necessarily limited to, a subjective evaluation of the following criteria, which each applicant will be requested to address in a narrative format.

Employment Impact

- How many jobs will be brought to Duncanville?
- What types of jobs will be created?
- What will the total annual payroll be?
- What will be the average salaries of the employees and management?

Fiscal Impact

- How much real and personal property value will be added to the tax rolls?
- How much direct sales tax and hotel occupancy tax will be generated?
- How will this project affect existing businesses and/or office facilities?
- What infrastructure construction would be required?
- What is the total annual operating budget of the facility?

Community Impact

- What effect will the project have on the local housing market?
- What environmental impact, if any, will be created by the project?
- How compatible is the project with the City's comprehensive plan?
- How compatible is the project with the Main Street Vision?
- Does the project follow sustainable development principles?

Additional DCEDC Considerations

- What funds are available to the DCEDC for the current year as well as future years?
- Does the project support the mission of the DCEDC?
- What other future projects are being proposed?

V. TYPES OF INCENTIVES

It is the policy of the City of Duncanville and DCEDC to provide economic development incentives on a case-by-case basis. The design of a total incentive package is intended to allow maximum flexibility in addressing the unique aspects of each applicant while enabling the City to better respond to the changing demands and needs of the community. The City and the DCEDC will consider providing any type of economic development incentives not prohibited by state or federal law including, but not limited to, tax abatements, cash in-lieu-of tax abatements, sales tax rebates, infrastructure grants, waiver of development fees, façade and architectural improvement grants, and grants for environmental remediation. Tax abatement and economic development incentives will be provided by contract with the applicant, and shall be subject to procedural and other requirements set forth in such contract as well as applicable federal, state and local law.

Nothing in these guidelines shall imply or suggest that neither the City nor the DCEDC is under any obligation to provide tax abatements or any economic development incentive to any applicant. All applicants will be considered on a case by case basis.

VI. VALUE OF INCENTIVES

After review of the application, for tax abatements and/or other economic development incentives, the City Council will determine whether it is in the best interests of the City of Duncanville to provide the incentive to the applicant. The City Council and/or DCEDC may consider criteria other than that set forth in these guidelines, including but not limited to, such matters as the relative degree to which the project/applicant furthers the goals and objectives of the community or meets or compliments a special need identified by the City or the DCEDC.

A. Tax Abatements

The subjective criteria outlined in Section IV will be used by the City Council in determining whether or not it is in the best interest of the city to offer a tax abatement to a particular applicant. Specific considerations will include the degree to which the individual project furthers the goals and objectives of the community, as well as the relative impact of the project.

Tax abatements will be available for both new facilities and structures and for expansion or modernization of existing facilities and structures per the table below.

Once a determination has been made that tax abatement should be offered, the eligible property and term of the abatement will be guided by referencing the following table; however, the following table is not controlling. The City Council has full power to determine eligibility and length of abatements on a case-by-case basis depending on the full circumstances.

TAX ABATEMENT TABLE

CAPITAL COST	OR	NEW FULL TIME JOBS CREATED	PERCENT OF ABATEMENT	MAXIMUM YEARS OF ABATEMENT
\$250,000-\$999,000		0-10	Up to 25%	1
\$1,000,000-\$2,500,000		11-20	Up to 50 %	3
\$2,500,001-\$5,000,000		21-40	Up to 55%	5
\$5,000,001-\$10,000,000		41-60	Up to 65%	5
\$10,000,001-\$25,000,000		61-80	Up to 70%	7
Over \$25,000,000		81-100	Up to 75%	10

B. Sales Tax Grants

For new Duncanville businesses or business expansions, the City and/or the DCEDC may contract with an applicant to provide an economic development incentive consisting of annual grants based on a percentage of the sales and use tax receipts received by the City and the DCEDC from the sale of taxable items. The City is authorized by Section 380.001, Local Government Code to provide such grants. The DCEDC is authorized by the Development Corporation Act to provide such grants.

The applicant by contract will be required to provide a sales tax certificate setting forth the applicant's collection of sales and use tax for the sale of taxable items at the applicant's Duncanville business for the previous ending twelve calendar month period, together with such supporting documentation as required by the City and the DCEDC.

Once a determination has been made that a sales tax grant should be offered, the sales tax grant shall be guided by referencing the following table; however, the following table is not controlling. The DCEDC will make a recommendation for a sales tax grant to City Council. The City Council will have final approval of the grant.

Sales tax grants are for a maximum period of five (5) years in an amount equal to a percentage of the received applicant's Duncanville sales tax receipts in accordance with the schedule below, provided there is a minimum of \$1 Million Dollars in taxable sales for each twelve calendar month ending period. The City and DCEDC may grant an option to renew the contract for an additional five (5) year period. Sales tax grants are paid in annual installments within ninety (90) days after the end of each twelve calendar month period following the issuance of the certificate of occupancy for the facility, or other commencement date if no certificate of occupancy is required.

Taxable Sales	Percentage of Sales Tax Receipts
1 Million Dollars	20%
2 Million Dollars	25%
3 Million Dollars	30%
4 Million Dollars	35%
5 Million Dollars	40%
6 Million Dollars	45%
7 Million Dollars	50%
8 Million Dollars or more	55%

C. Cost Participation in Infrastructure and Waiver of Development Fees

The City and/or the DCEDC may, by contract, agree to participate in the cost of the extension, construction, or reconstruction of public infrastructure necessary for the development of a project. In addition, the City may approve the waiver of permit and development fees. Grants will be screened by the incentive application submitted and a return on investment analysis.

D. Economic Development Cash Grants

The City and/or the DCEDC may, by contract, make available cash grants to new, expanding, and relocating companies which are planning to make a new investment in Duncanville. Grants will be screened by the incentive application submitted and a return on investment analysis. These grants may be used for facility renovation, site preparation, engineering studies, or any other use needed by a new, expanding or relocating business.

E. Freeport Exemption Incentive

The City Of Duncanville has not adopted the Freeport Exemption as provided by the Texas Constitution, Article VIII, Section 1-j and section 11.251 of the Tax Code. The City instead adopted a model form of the agreement. The City may grant a new business that relocates to the City of Duncanville an equivalent of the Freeport Exemption for its property if the business receives a Freeport Exemption from Dallas County and/or the Duncanville Independent School District. Under the form model, the City contracts with the applicant to provide an annual grant in the amount equal to the ad valorem taxes that the recipient would have received if the City had adopted the Freeport Exemption for the tax year. The City may condition the incentive upon the creation of employment, construction of improvements, certain development, continued operations for a stated period, or other public considerations.

F. Design Incentive Program

The Design Incentive Program was established to encourage redevelopment of maturing business corridors by providing financial resources to small business owners for exterior property improvements. The Program consists of four different grants including paint, signage, landscaping, and façade. In order to qualify for any one of these grants, a business owner or building owner must meet the general participation program requirements as well as the individual grant requirements. The DCEDC will evaluate each application and make recommendations to the City Council. The City Council will make the final approval on all grants.

General Participation Requirements

1. Applicant's buildings must be subject to property taxes.
2. Non-profit entities and residential property do not qualify.
3. All applications must be submitted with three bids and one bid must be from a Duncanville business if service is offered locally.
4. Applications must be submitted and approved by the DCEDC and City Council before projects are started.
5. The approved project must be completed within six (6) months of City Council approval date, or the applicant will be required to present a project update to the DCEDC Board.
6. All projects must comply with all local ordinances and state and federal laws.
7. All applications must include rendering, swatches, and/or samples.

Paint Grants

The Paint Grants were established to assist small business owners with refurbishing the exterior of a commercial building in need of fresh paint. The following details outline the grant specifics.

1. Grants may be approved for up to 70% of the lowest of the three bids, up to \$5,000.
2. Reimbursement will be made to the applicant up to 70% of the actual cost not to exceed the original amount approved.
3. Eligible costs include: Supplies, cost to appropriately prepare surfaces of the building, and labor costs.
4. Only buildings that have been previously painted and need to be repainted qualify for a grant unless special circumstances arise, and then the DCEDC will evaluate the application on a case-by-case basis.
5. New construction projects are not eligible.
6. Buildings can only qualify every seven (7) years for a paint grant unless special circumstances arise and then the DCEDC will evaluate the application on a case-by-case basis.

Signage Grants

Signage Grants were established to assist small existing business owners with the costs associated with replacing and updating nonconforming signs to the City's current standards, or new signs for existing businesses that have been at the current location for a minimum of one (1) year, or for new businesses that have been in business outside the city limits for a minimum of three (3) years.

1. Grants may be approved for up to 70% of the lowest of the three bids, up to \$5,000.
2. Reimbursement will be made to the applicant up to 70% of the actual cost not to exceed the original amount approved.
3. Eligible costs include: Sign, labor costs, sign permit fee.

Landscape Grants

Landscape Grants were established to broaden the City's focus on curb appeal and encompass Duncanville's business corridors.

1. Grants may be approved for up to 70% of the lowest of the three bids up to \$6,000.
2. Reimbursement will be made to the applicant up to 70% of the actual cost not to exceed the original amount approved.
3. Eligible costs include: Materials, labor costs, permit/tap fees.
4. Plants must be non-annuals.
5. Drought tolerant and/or Texas native plants are encouraged.
6. Properties can only qualify every seven (7) years for a landscaping grant unless special circumstances arise and then the DCEDC will evaluate the application on a case-by-case basis.

Façade and Architectural Improvement Grants

The DCEDC will consider all Façade and Architectural Improvement Grants on a case-by-case basis.

VI. NO INCENTIVES ARE AVAILABLE FOR PROJECTS THAT HAVE ALREADY STARTED

VII. APPLICATION PROCEDURE

Any person, organization, or corporation desiring the City or DCEDC consider providing tax abatements or other incentives to encourage location or expansion of operations within the city limits of Duncanville shall be required to comply with the following procedural guidelines. Nothing within these guidelines shall imply or suggest that City or DCEDC is under any obligation to provide a tax abatement or incentive in any amount or value to any applicant.

Preliminary Application Steps

1. Applicant shall complete the attached “Economic Development Incentive Application.”
2. Applicant shall answer all application questions and provide additional information in a letter format.
3. Applicant shall prepare a plat showing the precise location of the property, all roadways within 500 feet of this site, and all existing land uses and zoning within 500 feet of the site.

5. Applicant must complete the entire application and submit it to the Director of Economic Development, City of Duncanville, P.O. Box 380280, Duncanville, TX 75138-0280, or deliver it to 203 E. Wheatland, Duncanville, TX 75138.

Application Review Steps

1. All information in the application package detailed above will be reviewed for completeness and accuracy. Additional information may be requested as needed.
2. The application will be distributed to the appropriate City departments for internal review and comments. Additional information may be requested as needed.
3. Once the Economic Development Department receives all needed information and it is determined the project qualifies for the consideration of an incentive, copies of the completed application and staff comments will be provided to the City Council and the DCEDC as specified in this policy.

Consideration of the Application

1. The DCEDC may consider making a recommendation to the City Council for the consideration of Sales Tax Grants as outlined in this policy.

2. The City Council of Duncanville may consider a resolution calling a public hearing to consider the establishment of a tax reinvestment zone.
3. The Duncanville City Council may hold the public hearing and determine whether the project is “feasible and practical and would be of benefit to the land to be included in the zone and to the municipality”.
4. The Duncanville City Council may consider adoption of an ordinance designating the area description of the proposed project as a commercial/industrial tax abatement zone.
5. The Duncanville City Council may consider adoption of a resolution approving the terms and conditions of a contract between the City and the applicant as outlined in this policy.
6. The governing bodies of Duncanville Independent School District, Dallas County, and Dallas County Community College may consider participation in the tax abatement agreement between the City of Duncanville and the applicant.
7. Information provided to the City Council in connection with an application or request for tax abatement is confidential and not subject to public disclosure until the tax abatement agreement is executed.
