

Duncanville Community Service Option List

You may pick any community service organization on this list in order to complete your community service. Contact the person on the list and make arrangements for your work time. Be on time! Remember, it is your responsibility to complete your work by the court ordered termination date... and to report the completion to the Municipal Court in writing. Government, city, school, county, state, or any non-profit associations are allowed, but must be approved by the Duncanville Court and added to the list, before work is done in order to be counted.
