For demolition: An asbestos survey must be conducted in accordance with the Texas Asbestos Health Protection Rule (TAHPR) and the National Emission Standards for Hazardous Air Pollutants (NESHAP) for the areas being demolished. The survey must include the signature and license number of the certified asbestos manager.

I have carefully read the completed application and know the same is true and correct and hereby agree that if a permit is issued, all provisions of the City ordinances and State laws will be complied with, whether herein specified or not. I agree to comply with all property restrictions. I am the owner of the above property or his/her duly authorized agent. Permission is hereby granted to enter premises and make all necessary inspections. A permit shall not be valid until the fees prescribed by law have been paid for, nor shall an amendment to a permit be released until the additional fee or fees have been paid.
